If you heard my message last Sunday you know what is really stirring my heart. I had the privilege of being with and seeing many young people last week. As I viewed them I saw them as “sheep without a Shepherd.”

We need to change that!! Youth are in need of leadership - - Spirited leadership. Very few will get it from home, and that gives us a more urgent need as the church to reach them for Christ.

I asked you as a congregation to pray every day for a youth minister and you said you would. Don't quit!! Things will happen when we invoke the blessing of Good upon us.

I am getting older and I see the end result if we don't reach the young people. Our church will die (as many have) because we focused on ourselves rather than the next generation. Please pray for the leadership as we strive to find God's man for our church and Adair County. May our motto be that of Paul, “*not I, but Christ.*”
